FESTIVAL PASSPORT

 Tag your festival photos @InnerWestAleTrail

Batch: High Country Harvest Pale Ale

This complex pale ale bursts with bright tropical fruits, citrus and 'fresh from the bine' character over a light-golden malt base. ABV 5%.

The Grifter: Wet Hop Acid Drop Sour

Take a trip with this fresh flip of the Acid Drop classic. Expect zesty flavours of fresh-cut fruit & delicate 'green' notes from fresh hops. ABV 5.5%.

Future: Dankonia Fresh Hop IPA

This double dry-hopped IPA was brewed with irresponsible amounts of fresh Galaxy hop cones plus NZ hops Nectarone & Nelson Sauvin. ABV 7%.

Wayward: Wet Bandit Pale Ale

Inspired by the devious duo from *Home Alone*, this hop heist is smooth, crisp and bursting with lively tropical notes. ABV 4.5%.

Kicks: Salad Days Raw Ale

Brimming with the greenest, dankest expression of Galaxy, this beer was hit with a truck load of hop cones, then dry-hopped with more. ABV 6.7%.

White Bay: King Peanut Golden Ale

A gorgeous golden drop that blends a mix of light toffee and biscuit malts with enticing flavours of passionfruit and citrus. ABV 5%.

Mixtape: Black Hop Sun 2.0 Dark Ale

Blending Mixtape's love of dark beers, loud '90s rock and sci-fi, this hoppy Cascadian dark ale is truly out of this world. ABV 4.9%.

Wildflower: Bumbershoot IPA

Wildflower invited best buds Mountain Culture and Cloudburst Brewing (USA) to join the party with this wonderful wet hop IPA. ABV 6.5%.

Philter: ????

No, it's not a typo – the Philter crew are keeping their brew a secret so you'll just have to drop in to solve the mystery. ABV ???

Young Henrys: Across The Universe Pale

Steeped on 50kg of fresh Galaxy cones, this hazy pale ale has so many galaxies in it, it has to be considered a universe. ABV 5.6%.

Sauce: 3 Body Problem Hazy Pale Ale

Three types of Galaxy collide with fresh hops in the boil & Galaxy Spectrum & T90 pellets in the dry hop, plus a sprinkle of Eclipse hops. ABV 4.9%.
